REPORT
OF THE
TERRITORIAL TREASURER
FOR THE
FISCAL YEAR, 1883.

TERRITORY OF MONTANA,
TREASURER'S OFFICE,
HELENA, M. T., January 1. 1884. }

To His Excellency JNO. SCHUYLER CROSBY, Governor of Montana :

SIR :—In compliance with law, I have the honor to submit the following report, showing the present status of this office and its transactions for the fiscal year 1883.

In accordance with an act approved January 30, 1883, funds were transferred from the Warrant Fund, and all uncalled Territorial bonds, amounting to \$45,000.00, were redeemed and cancelled on March 1, 1883, thus extinguishing all registered indebtedness of the Territory.

Notwithstanding quite a large increase in Territorial expenditures during the year, and the transfer by the Legislative Assembly of 37½ per cent. of former Territorial portion of license revenues to the counties, it is gratifying to note that there has been an increase of receipts of revenue over 1882, of \$7,852.43, and that a surplus remains in the Treasury of \$26,508.59 over all registered liabilities. This surplus will doubtless be entirely depleted before receipts of revenue for the current quarter are at hand in March, by ordinary disbursements for the Territory and the extraordinary expenses of the Constitutional Convention soon to convene.

I would state that a very insignificant portion of property tax due has been received from the counties of Dawson and Yellowstone, as the Commissioners of those counties extended the limit of time wherein the law requires taxes to be paid : in Dawson county to January 1, 1884, and in Yellowstone county to December 15, 1883.

I have the honor to be,

Very respectfully,

Your obedient servant,

D. H. WESTON,

Territorial Treasurer.
